Mr Abdul Aziz, Excise Asstt Commr was granted privilege leave of absence for 2½ months w.e.f. 19th November 1901 according to the Comptroller's certificate he was entitled on the 2nd September 1901 to two months and 23 days privilege leave, as he is still unwell, Mr Abdul Aziz applies for an extension of 13 days of his leave. The Collector Excise forwards that application for orders of Government. A draft sanctioning the extension of leave is also put up for appl orders.

on 2nd September 1901 he was entitled to 2 months & 23 days on the 19th November 1901, from which date he was given 2½ months privilege leave the privilege earned by him was full 3 months as he was given only 2½ months leave he is entitled to the extension now applied for.

has made an application

he states that the extension

Seen. Mr Rama Rao has applied for leave & his application shows a reprehensible spirit. Mr Abdul Aziz is behaving in a manner manifestly prejudicial to his own interests. Note for the present.

In continuation of the above report the Dy. Commr, Karur District requests that Mr Abdul Aziz may be ordered to join his District at

service as the garma lascar work is suspended owing to his not having returned to duty yet.

Added to the 2nd paragraph

Reason — Out of 3 months privilege leave to which Mr Abdul Aziz was entitled, he has been given leave for 2 months and 28 days, which expired on 16th July 1902. He has thus overstayed his privilege leave. He has however been told that he should either produce a Medical certificate or return to duty.

15th or 16th

owing no doubt to illness

In his last com. Mr. Abdul Aziz has stated that he may be taken on the pension list from the date of expiry of his priv: leave. Although he has not completed the age of 55 years, he has such 31 years of eligible service, and is thus entitled to "Retiring pension" under Art 312 of the Service Regulations.

Under these circumstances
Mr Abdul Aziz's leave may
be extended to the fullest
extent allowable, and he
be permitted to retire
from the expiry of such
leave.

Some other Officer will
have to be sent to the
Kadur Dt as Asst Commr

26/2/02

He has had all the
privilege leave he
was entitled to; & this
expired on the 15th
Instant - & any
more leave of that
description is allow-
able (it cannot
be more than 2 or 3
days being the difference
between the maximum
of three months, & the
period of leave leave
granted, viz 2 months
& 28 days) beyond all
medical certificate would be
necessary to
him -

did not know when I said that he
was entitled to any other
kind of privilege than

invalid or medical certificate
Pension, I had no view
article 312 A which did
not apply to Qtr 2nd
Commissioner & ~~I~~ un-
fortunately lost ~~the~~ right
allegation of article 312 - If
~~Government~~ Govt in a hurry
the office did not point
out this mistake before
issuing an order in accordance
with my note - Having
joined Service in the
Subordinate grade on 1st
April 1870, Mir Abdul
Aziz has ~~just a little~~ com-
pleted thirty years qualifying
Subordinate Service & a
Retiring Pension is
therefore available to him
under article 312 - Let-
him be retired accordingly,
if ~~otherwise~~ not otherwise ordered by the Govt, with
effect from the date, with
on which his leave
expires - No reference to
the Comptroller seems
necessary since the 4th Edition
of the Civil Service Compiled
by him shows that Mir Abdul
Aziz ~~has~~ had to his credit
on 31st Dec 1899 " Service
eligible for Pension 29 Years, 4 months & 3 days

and since he has been
- quite total daily
but in a great deal
more than the 7
months & 28 days
of service required
to complete the
thirty years which
would bring his case
within the purview
of article 312 -

No reference to Council
seem necessary since
"Voluntary retirement"
under article 312 does
not amount to the
"removal" contemplated
by para 1 (clause 5)
of "Alteration and
additions to Rules of
Council Business".

Whether retired or not
retired Mr Abdul
Aziz [illegible]
must be regarded
as an officer not im-
mediately available
for employment in the
Kadur District - the Duty
(one of which has
therefore been given
to Jamabandi work among other officers of the Revenue

Note.

He seems to have already had all the privilege leave he was entitled to, and this expired on the 15th Instant. If any more leave of that description is allow-able (it cannot be more than 2 or 3 days, being the difference between the maximum of 3 months and the period of leave sanctioned, viz, 2 months and 28 days) by all means let the Secretariat give it to him.

When I said that he did not seem entitled to any other kind of pension than invalid or medical cirtificate pension, I had in view article 312A which did not apply to Extra Asstt. Comrs, and unfortunately lost sight altogether of article 312. It is a pity the office did not point out this mistake to me before issuing an order in accordance with my note. Having joined service in the superior grade on 1st April 1870, Mr. Abdul Aziz has completed thirty years qualifying superior service and a Retiring Pension is therefore grantable to him under article 312. Let him be retired accordingly if approved by the Dewan, with effect from the date on which his leave expired. No reference to the Comptroller seems necessary since the 4th Edition of the Hi

History of Services compiled by him shows that Mr. Abdul Aziz had to his credit on 31st Dec. 1899 "Service eligible for Pension 29 years, 4months and 3 days", and since he, subsequent to that date, put in a great deal more than the 7 months and 28 days of service required to complete the thirty years which would bring his case within the purview of article 312.

No reference to Council seems necessary since "voluntary retirement" under article 312 does not amount to the "removal" contemplated by para 1 (clause 5) of "Alterations and additions to Rules of Council Business".

Whether retired or not retired Mr. Abdul Aziz must be regarded as an officer not immediately available for employment in the Kadur District the Dy. Comr. of which has therefore to be given another officer if the retardation of Jamabandi work complained of is to be prevented.

Submitted to Dewan.

Mr. Abdul Aziz has preferred certain impracticable requests but he has not made a compliance therewith by Govt. a condition precedent to his retiring.
